The Importance of Philadelphia

Philadelphians were quick to recognize the importance and beauty of the number devoted to

HISTORIC PHILADELPHIA

Many others who have not seen it hardly appreciate what such a complete and beautiful issue means as a permanent artistic record of the city's growth. The *Inquirer*, the *Public Ledger*, and *The Record* all proclaimed it the best summary of its kind ever put between magazine covers.

You probably have friends who know or have lived in Philadelphia and who would be very glad to have copies. Would it not be a pleasant courtesy to send it to them? We shall be glad to mail them for you from this office on receipt of order. Paper binding, \$1 each; cloth, gilt-stamped, \$1.50.
